

# FUSION F.C.

## What is Fusion F.C. ?

Competitive soccer in North East Alabama has a new face. The girls and boys competitive programs for Etowah Youth Soccer (Pumas & Nighthawks), Coosa Soccer (Storm) and other regional clubs are joining together to form the Fusion F.C. This reorganization will allow regional players to play on teams that will be able to compete effectively against any soccer program in Alabama.

## What does this mean for players?

Combining these very successful programs has produced one of the largest competitive clubs in Alabama. Local players will have opportunities previously only open to kids based in Birmingham and Huntsville. This means there will be a greater number of teams to choose from and a higher level of success for our teams. With this expanded number of teams playing at different levels of competitiveness, it will be easier to find the "right fit" for players.

## Fusion Programs:

(2010 - 2011 Season)

**Division I** - Highest level of competition in Alabama Youth Soccer. Boys, age 16 - 18

**Division II** - Competitive league for developing D-I and high school players. Boys and Girls, age 10-18

**Division III** - Developmental program designed to introduce players to more competitive soccer. Boys and Girls, age 8-17

**Academy** - Selective program that provides younger players technical & tactical training designed to prepare promising players for Division II teams. Academy teams compete in area & state tournaments. Boys & Girls, age 7-10

## Why play soccer with Fusion F.C.?

**Quality Coaching Staff** - Our staff includes former & current High School coaches, former college coaches, and former college players. The 2010 Fusion F.C. coach slate includes numerous holders of State and National Coaching certification.

**Value** - It costs far less to play competitive soccer with Fusion F.C. than it does for virtually every other comparable competitive program in the State. The Fusion Board of Directors recognizes the challenges that many of our players face and are committed to keeping playing fees as low as possible without compromising program quality.

**Winning Tradition** - The programs that joined together to form Fusion F.C. share a history of numerous State Championships.
